

At The Women's Safe House, we believe that one of the best ways to support survivors of domestic abuse is through gift card donations. These are put towards general shelter needs not met by in-kind donations, or given directly to our residents. As part of our shelter curriculum we offer classes on financial literacy. These are skills our clients can put into practice when presented with gift cards and the ability to make their own informed decisions about their personal and family finances.

Preferred Gift Cards are to Walmart, Target, Walgreens, CVS, Schnucks, Shop N' Save, and QT
