ADOPT-A-FAMILY

The holidays are often a time spent with loved ones while our residents are spending their holiday in a shelter, worrying about their safety and next steps. Every year, the community comes together to help us provide a little cheer around the holidays. Our Adopt-A-Family program supports the families and single women and children residing in shelter and supported through our AfterCare Program. Please help us spread hope and healing this year by supporting the women this holiday season!

Please read the [guidelines](#) before you commit to adopting a family. If you have any questions email [Monica](#) or [Burgandy](#).

VOLUNTEER

The contributions of our volunteers *are the backbone of our program.*

From teaching classes to providing child care, painting rooms to preparing meals, sorting donations to running our computer lab...we could not do what we do without *you*. This past year, over 800 volunteers shared over 4,000 hours of service with us. Each volunteer brings a unique talent to the House, what's *your talent*? Please consider bringing that talent to our organization to promote positive changes in our community.
