b If "Yes," describe in Part II.			
33 If the organization didn't report an amount in column (c) for a type of property for which column (a) is checked, describe in Part II.			

**Part II** **Supplemental Information.** Provide the information required by Part I, lines 30b, 32b, and 33, and whether the organization is reporting in Part I, column (b), the number of contributions, the number of items received, or a combination of both. Also complete this part for any additional information.

Other: Line 31 - We have not received this type of contribution to date. However, if one is offered in the future, a group comprised of the executive director, selected board members, and perhaps an outside consultant would be gathered to determine the appropriateness of accepting such a contribution.

Pt I Line 32b: The only third party used in relation to noncash contributions is the nationally-known brokerage firm that sells contributed, publicly-traded securities. We have a policy to sell them immediately to avoid the risk of the value declining. The relationship with the individual broker within the firm that handles the transactions is of a business-nature only.

Other: Pt.III - Volunteer program - since the services of our volunteers generally do not require specialized skills, their value is not recorded in the audited financial statements because no objective basis is available to measure the value.

An estimate of the value of such services is not included in the 990 per IRS instructions. TWSH generally pays for services requiring specific expertise.

Pt VI, Line 11b: The 990 draft was emailed to board members with a comment period and a request that each member respond during that period with either an approval or with additions/corrections. Responses were then summarized and any changes were forwarded to the tax preparer.

Pt VI, Line 12c: All board members, including new members, are required to sign the conflict of interest statement on an annual basis.

Pt VI, Line 15a: and Line 15b - Annually, generally in May, the board president sends an executive director review form to board members, compiles the results of the comments, and meets with the executive to report the comments/recommendations of the board members. At this time the executive director submits a self-review. After a formal discussion with the executive committee, annual goals and objectives are set and remuneration is reviewed and determined. The compensation of the executive director and other key employees is consistent with others in similar organizations in the St. Louis area. Budgetary considerations are also taken into account when determining compensation.

Pt VI, Line 15b: See description for Line 15a above

Pt VI, Line 19: Our governing documents, conflict of interest policy, and financial statements(audits and 990's)are available to the public on request.

Pt XII, Line 2c: The finance committee reviews the audited financial statements,

selects the auditors and outside accountant, and closely monitors the financial information throughout the year.

Other: Pt.VIII, line 8c - There is sometimes a "loss" on this line (event revenue less expenses) due to several things. It's generally difficult to determine the FMV of a ticket to an event (the gross event revenue is on line 8a) and some of the costs of hosting an event - postage, printing, promotion, etc. - don't contribute to the value received by the attendees and so aren't reflected in the ticket FMV. However, if the sponsorships and contributions for the event were included (on line 1c), there was a significant amount of net revenue.
